~ ~ ~**Lunch Break**~ ~ ~

Riding Classes

7. Musical Barrels
8. Fluidity (WTC)
9. Riding Obstacles
10. Team Relay
11. Extreme Trail

On-Line Games Classes- Basic Ground Games in the arena judged on communication and response of the horse

Online Obstacles- All participants are on a 22foot line and are judged on the willingness, try, response and communication. The farther away you are from your horse, the better you score.

Liberty Games- This class will be in the arena, with no halter or line on your horse. You will be asked to perform games. You will DQ if you horse leaves you. You will be judged on willingness, attention to handler and tasks performed.

Liberty Obstacles- This is outside the arena with no halter or lead on your horse. One at a time, you will be asked to go through an obstacle course and perform specific tasks. You will be DQ if your horse leaves you.

Musical Barrels- Think musical chairs on horseback with a twist!

Fluidity- You can ride English, western, or bareback in this class and will asked to walk, trot and canter in both a freestyle and finesse carriage. You will be judged on your horses attitude, form, carriage and confidence.

Riding Obstacles- As in the online and liberty obstacles classes, you will be asked to perform an obstacle course and tasks at each place with this event being timed!

Team Relay- Each three man team will be given three events to complete. This class is timed but also judged on the tasks that will be asked of you.

Extreme Trail- This class is timed and takes place on the rugged terrain that Spirit Dancer Ranch offers. Hills, banks, water crossings, wildlife encounters, foreign objects and so many other possibilities on this one!!

~~ There will not be any practice time allowed the day of the shows. Horses are NOT allowed on any obstacles or on the trail course. Horses are only allowed in the round corrals or in the arena. ~~
